STEAM event

George Eliot Academy pupils were invited to attend the STEAM event held at NWSLC. NWSLC have teamed up with a number of partners to organise a fully inclusive large-scale Science, Technology, Engineering, Art, and Mathematics (STEAM) event for individuals within Warwickshire and Leicestershire, which was hosted at their Nuneaton Campus. Pupils who have considered a career pathway in the STEAM sector attended this event to find out more and to speak to local and national employers within this sector, companies included: The NHS, Wincanton, Tesla, Horiba MIRA and much more....

Quote from a teacher from one of our schools. "The STEAM event was brilliant, very informative and accessible for ALL the pupils. I found that our SEN pupils were asking questions and really

interacting. The pupils have also said what a brilliant day they have all had."

Boxing success

A huge congratulations goes out to Charlie W in Year 9 who recently earned a gold medal at an amateur boxing competition in Hull.
