

January 2025

Dear Parents/carers

Your child has been identified for additional intervention, in either maths, English or science to support them to reach their full potential in their upcoming GCSE examinations. The purpose of the intervention is to target key areas identified in the recent mock examinations to support improvement to help your child make excellent progress.

The interventions are detailed below, beginning on Monday 13<sup>th</sup> January and will run until February half term. The sessions are on your child's timetable and attendance at the interventions is an expectation. Those who do attend the interventions will be rewarded at the end of the half term.

Your child's intervention is:

Staff member	Subject	Days of the week	Time	Room
AKE	Maths fabulous four	Monday and Tuesday	1-1:25pm	L113

Your support with this is really appreciated as we all work together to ensure your child's GCSE results are a huge success.

Please do let me know if you have any questions.

Kind regards

Hannah Jenkins  
Vice Principal

**Principal:** Mrs H Zakary
