

Dear Parent/Guardian,

Your child has been selected for the Experience Warwick Year 11 which is organised and delivered in partnership with the University of Warwick.

The Experience Warwick partnership offers a variety of in-school and on campus activities for local state schools in Coventry and Warwickshire aiming to inspire and inform local young people to progress to higher education. The partnership provides information, advice and guidance, in addition to exciting opportunities to enable learners to make informed decisions at key milestones throughout their educational journey.

The main aim of the programme is to support the aspirations of young people in making future decisions, raising attainment, encouraging young people to think about their futures and to support them to make informed choices as well as providing a positive experience of higher education.

To ensure we are working with the most targeted students and to evaluate the impact of the programme we require you, as their parent/guardian, to complete a consent form. Please click on the following link <https://forms.office.com/e/fYFbRWe8Bq> or use the QR code below, the form should take no longer than 10 minutes to complete.

Many thanks for your time and we look forward to working your child.

The Experience Warwick Team
