## Year 10 Revision Guides orders

Dear Parent/Carer

As your child is now midway through their first term of GCSE, we will begin to look at mock exams and assessing how well pupils have begun their courses.

With this in mind, I would like to draw your attention to some upcoming dates:

---

5 <sup>th</sup> - 9 <sup>th</sup> December 2022	Year 10 mock Exams assessing course content taught so far
Thursday 19 <sup>th</sup> January 2023	Year 10 Parent Meetings online

---

Being 'Exam ready' is about being prepared and being confident. 'Little and often' is what we encourage and to support this our teachers have compiled a list of recommended texts that we think will support our pupils with their exam revision. These are available to you at cost price when you order through us.

Please use Weduc to order the revision books you require, or alternatively use the form attached to this letter and we will ensure your child receives the ordered books.

I am looking forward to working closely with you all.

Yours sincerely

Mrs. D Stanton  
Vice Principal
